WHY MAKE THE SWITCH?

ASK OUR MEMBERS:

“Roofers Local 241 puts members first. We have the best pay, pension, and healthcare benefits I have seen in our trade. I spent years working on projects all over New York dealing with late paychecks, shoddy health insurance, and employers who only care about their bottom line. I am never going back.”

- Eric Saab, Commercial Roofer, Local 241 member

“Joining Local 241 was the best decision I ever made for me and my family. Commercial roofing is hard work and Local 241 makes sure we are paid fairly and job sites are safe. My family counts on me and I count on Local 241, no question.”
